The Parish Nurse (PN) is a **registered nurse** with specialised training who helps people with a variety of different health needs.

She can offer support for **physical, mental and spiritual** well-being, which can include:

- **Visits** if you are in hospital or recovering at home.
- **Accompanying** you to difficult medical appointments.
- **Personal health advice** and information.
- **Health promotion** and screening.
 - **Spiritual support** including prayer if desired.
- **Liaising** with local health and social care providers.

Support is available to all people in the local community regardless of their age, background and beliefs.

All information will be kept confidential, unless safeguarding issues arise.

The Parish Nurse

My name is **Gill Allin**.

I am a volunteer working with **Sudbourne and Tunstall Baptist Church**.

I have a **BSc (Hons) in Adult Nursing** and have had experience in a variety of settings, including **district nursing, specialist school nursing, neurological care and dementia care**.

I used to teach baby sign language as I am passionate about supporting **communication** needs amongst all ages and abilities.

I currently work at a **local hospice** and a **nursing care centre**.

I am a mother to three children and foster children with complex additional needs.

“I have come that you may have life - life in all its fullness.”
